# Letter of Recommendation

Dear Sir/Madam,

It is my honor and pleasure to provide this letter of recommendation for my mentor, advisor, and friend, Mr. Ryan Moore. We have worked together since November of 2005. He has demonstrated his strong leadership and business skills with many diverse clients and has always handled himself both professionally and skillfully. Ryan quickly ascertains and understands the needs of his client(s) and is constantly looking for ways to enhance their relationships.

In our two decades of working together, Ryan has been enthusiastic and has shown exemplary salesmanship. He possesses strong design, communication, and leadership skills. On a personal level, he is a very loyal and compassionate person. In his mentorship to me personally, he continues to encourage a creative atmosphere. Even when life throws unexpected things your way, Ryan is understanding and is always willing to accommodate what is needed at the time.

I particularly enjoy our ability to work together on the design process! We usually work on multiple options for each project, showing the client, not just their ideas, but going beyond that to show a myriad of understanding of their requirements. Ryan always brings the development side of design to the table and considers every avenue to create the best masterpiece for each project. He is open to new ideas and shares insightful feedback. He is always ready to lend a helping hand and actively contributes during brainstorming sessions and meetings with the Design and Development teams.

In my wholehearted recommendation, I encourage you to see Ryan's unequivocal qualifications for this endeavor. Please feel free to contact me if you require any additional information. Thank you.

Sincerely,

Allison J. Posey
